the top, it comes from grassroots
energy and new ideas.”**

- Justin Fairfax
Candidate for Lieutenant
Governor of Virginia

**DEMOCRATIC
PRIMARY
JUNE 13**

Democrat Justin Fairfax — *is the leader* — Virginia needs to fight back.

That's why Justin is traveling the state to build the resistance to threats in Washington as well as Richmond, and why he is developing new approaches for the challenges ahead. As your Lieutenant Governor, Justin will fight to ensure that all Virginians have the economic security and opportunity they deserve.

- ▶ **Create economic security and opportunity** for all Virginians by working to diversify our economy, creating higher-paying jobs and reducing the crushing burden of student loan debt, ensuring access to capital for entrepreneurs and homebuyers, investing in Virginia's infrastructure and broadband access, and increasing the minimum wage.
- ▶ **Support criminal and juvenile justice and ethics reform** by ending the school-to-prison pipeline, offering mental health and substance abuse treatment for those who need it, restoring voting rights to ex-offenders, and holding elected officials accountable through open government and commonsense ethics reform.
- ▶ **Fight for the future of all Virginians** by standing up to discrimination and promoting equality, protecting reproductive rights, protecting the environment and combating climate change, expanding access to affordable, high-quality healthcare and equal pay for women, better supporting Virginians with disabilities, providing more support to our military families, reducing gun violence, protecting voting rights, fighting for fair, non-partisan redistricting, and improving public education.
